\*Fees listed on the standard Schedule of Fees may differ from fees as they apply to the Smart Steps account. For example, overdraft related fees, sustained overdraft fees and dormant account fees.

\*Overdraft protection/Line of Credit Cash Reserve are not available on this Account. We may decline or return transactions that would result in an overdraft.

Checks that cause the account to become overdrawn will be returned unpaid. The payee may charge additional fees when the check is returned. Some transactions that you make may cause your account to become overdrawn that are beyond our control but we will not assess an overdraft fee or a return item fee to your account. For example, preauthorized transactions may post to your account even when the balance in your account is not sufficient to pay the transaction.

**Other Fees and Terms Applicable to Checking Accounts**

The service fees indicated below apply to all Accounts unless otherwise so noted:

Table with 2 columns: Fee description and Amount. Includes overdraft fees, insufficient funds fees, sustained overdraft fees, early closeout fees, and ATM transactions.

See Schedule of fees for further details

**Minimum Balance Requirements**

Initial minimum deposit required to open an Account is as follows:

Table with 2 columns: Account type and Minimum deposit. Lists Interest Checking, High-Interest Checking, Premium Interest Checking, Classic, Free, Basic Banking, Fresh Start, Student and Smart Steps Checking Accounts.

Minimum collected balance required in Account to earn the highest annual percentage yield is as follows:

Table with 2 columns: Account type and Minimum collected balance. Lists Interest Checking Account, High-Interest Checking Account, Premium Interest Checking Account.

**Balance Computation Method**

On all interest-bearing checking Accounts, interest is calculated according to a daily minimum collected balance method. This method applies a daily periodic rate to the minimum collected balance in the Account each day. The daily minimum balance required to avoid service fees is defined as the minimum balance required each day during the stated Account service charge period.

**Compounding and Crediting**

For Interest Checking, High-Interest Checking and Premium Interest Checking, simple interest accrues daily and is credited monthly.

**Accrual of Interest on Deposits Other Than Cash**

On all interest-bearing checking Accounts, interest begins to accrue on the business day the Bank receives credit for the deposit of non-cash items (for example checks).

**Savings Accounts**

**Rate Information**

Easy Savings, Youth Savings, Premium Money Market Savings and IRA Savings Accounts, are variable rate Accounts and the interest rate and annual percentage yield may change.
